

Health Requirements

Hawaii Department of Education requires that you provide health and immunization documentation at the time of registration. It is important that you accomplish as much of this as possible prior to your arrival in Hawaii. **Failure to do so could delay your child's enrollment in school.**

For more information go to:
<http://hawaii.gov/health/family-child-health/immunization/school-health/index.html>

Hawaii Schools

Registration Requirements

Hawaii Department of Education requires that you provide specific documentation at registration. Be sure to bring the following:

- Form 14 Student Health Record/ **Physical exam** must have been taken in past 12 months. Appointment slip is acceptable for conditional admission. Military may take out-of-state physical results and shot records to base/post clinic to have them transcribed to Hawaii Form 14. (Specific to Hawaii and can be downloaded at **<http://sp.k12.hi.us/pdf/form14StudentHealthRecord.pdf>**)
 - Birth Certificate or Passport
 - Proof of current address
 - Legal documents (if any)
 - Documents from previous school (transcripts, etc.)
-
- Other (Inhaler and EpiPen Consent Form):

Registration Requirements for CYSS

The Interstate Compact on Educational Opportunity for Military Children

The Interstate Compact on Educational Opportunity for Military Children is an agreement among member states (Hawaii became a member in 2009) that addresses certain school transition issues for military children in a consistent manner.

For more information on the Compact go to:
[http://mwrarmyhawaii.com/images/CYSS/SSS/Interstate Compact Presentation-2010-04-22.pdf](http://mwrarmyhawaii.com/images/CYSS/SSS/Interstate%20Compact%20Presentation-2010-04-22.pdf)

For more information on schools and registration go to: **<http://doe.k12.hi.us/index.php>**
